

Sunday Morning Bible Study (5-27)

lifechange(rs)
for hot springs youth ministry

So here's the thing: I'm testing to see whether or not this is effective and if anybody uses it/looks at it. So instead of doing the regular 'At Home' for Sunday School this week, I'm going to do this:

Please shoot me a quick e-mail (bnewton49@hotmail.com) letting me know you saw it. When I get your e-mail, I'll e-mail you the lesson summary and 'At Home' for your youth.

Thanks for helping me gauge the effectiveness of this resource.

Bill :)
